## September 2023

From our BOM: We have had our 1<sup>st</sup> BOM management meeting for the current Board and the leading items of interest are as follows.

1. The Treasurer went through the year-to-date financials and the income stream is obviously lower over the winter months, but we are managing to keep spending under control. Our Term deposit has been reinvested at a better rate of 4.7% for the next 3 months (Up from 4.2%). Still working on suitable people for bar staff (Venue Manager).
2. It was agreed to proceed with upgrading the sprinkler system on D Green and Croquet Courts which will help to achieve better playing surfaces. Irrigation plays a huge part in this.
3. Further grant options are being sought for light upgrades on A & B Greens, with the Council.
4. Minutes of our meetings won't be displayed in the Club due to the necessity to keep our financial and other sensitive information confidential and in-house. However if you would like to receive a copy, please email our Secretary. After the Minutes have been confirmed by the Board, they can be sent to you. (Sensitive information that needs to remain at Board level only will be excluded).
5. John Maroney advised in General Business, that he has been offered a new job in Singapore and has accepted the position, which unfortunately means he has tendered his resignation as our Vice President. Damon thanked John for his work and advice in his time in the position and wished him the best for his future role. John also mentioned that he wishes all our Members and Club the best for the future. He will still remain a Member of the Club.

## **CLUB NEWS**

Work on the new shade system on D Green is progressing well and will be completed in the next 2 weeks all going well. Will be advising Club Members via email on dates for a couple of working bees, that will be held prior to Trial games commencing, to tidy up inside and outside as per previous seasons. A big thank you to our Members helping out on Monday morning the past few weeks doing the vacuuming etc in the Club. I will be asking for further help once the season gets into full swing for cleaning also on Fridays.

## **BOWLS NEWS**

We have recently completed the in-door season SAWIBBA with our Women's Pennant team taking out the Pennant Winner's Title for the season which is a great result for the team. We had the following players that represented Club Holdfast receive medals - Riia Bradbrook, Mila Grimshaw, Heather Cowden-Tonkes, Joyce Clayton, Jan Hague, Lesley Carey, Collen Barclay, Dee Edwards, Deirdre Hall and Ann Kennedy. Below is Heather's Medal - very nice badge indeed.

We have been having a great turnout on Wednesdays the past few weeks for social bowls with better weather, but on Saturdays the weather gods seem to have deterred bowls from being played.

Lesley Carey (Bowls Manager) has been working extra hard to prepare the Club for the upcoming season. The following teams have been entered for the season.

## HAVE A LAUGH PAGE

Paddy is overweight so his doctor puts him on a diet.

"I want you to eat regularly for two days," he tells him. "Then skip a day and repeat the procedure for 4 weeks, next time I see you, you'll have lost at least five pounds."

When Paddy returns, he's lost nearly 15 pounds.

"Why that's amazing," the doctor says. "Did you follow my instructions?"

Paddy nods. "I'll tell you though, I thought I was going to drop dead that third day."

"From hunger you mean?" asks the doctor.

"No," replies Paddy, "from all the feckin skipping."

**Mick**  
"How did you find the weather on your holiday?"

*Keep Calm And Oh Feck It Enjoy Some Craic*

**Paddy**  
"I just went outside and there it was!"

Paddy finds a sandwich with two wires stickin out of it.

*Keep Calm And Oh Feck It Enjoy Some Craic*

He phones the police and says, "Bejesas I've just found a sandwich, dat looks like a bomb."

The operator asks, "Is it tickin?"

Paddy says, "No I tink it's beef"

Paddy says to Mick  
"Have you heard the news? 3 Cliff Walkers have fallen to their deaths!"

"Unbelievable, says Mick, I can't believe they all had the same name!"

Paddy and Mick were driving along when they came up to a road junction. Paddy said to Mick "What's it like on your side?" Mick said "It's the same but without the steering wheel."

Paddy goes into a chemist's shop, reaches into his pocket and takes out a small bottle and a teaspoon. He pours some liquid onto the teaspoon and offers it to the chemist.

"Could you taste this, please?"

The chemist takes the teaspoon, puts it in his mouth, swills the liquid around and swallows it.

"Does it taste sweet?" says Paddy.

"No, not at all," says the chemist.

"Good," says Paddy. "The doctor told me to come here and get my urine tested for sugar."
